Terms:

One-Side Hinge Repair – Service Warranty

→ This invoice includes a 2-week warranty from the date of service for the one-side hinge repair.

→ During this period, the client is entitled to free technical support and one-time service check for issues directly related to the repair, such as:

Hinge becoming loose again due to repair fault

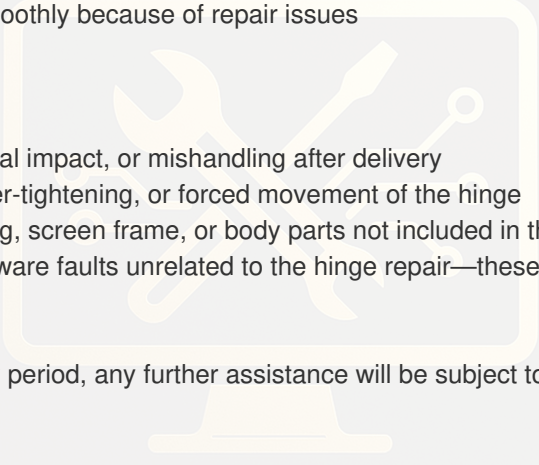

Improper alignment or fitting during hinge installation

Screws or brackets coming loose due to workmanship defect

Screen/lid not opening or closing smoothly because of repair issues

This warranty does not cover:

- Damage caused by drops, physical impact, or mishandling after delivery
 - User or third-party tampering, over-tightening, or forced movement of the hinge
 - Issues caused by damaged casing, screen frame, or body parts not included in the repair
 - Problems arising from other hardware faults unrelated to the hinge repair—these must be addressed as separate repairs
- After the 2-week service warranty period, any further assistance will be subject to our standard diagnostic and service charges.
