Terms:

OS Installation – Service Warranty

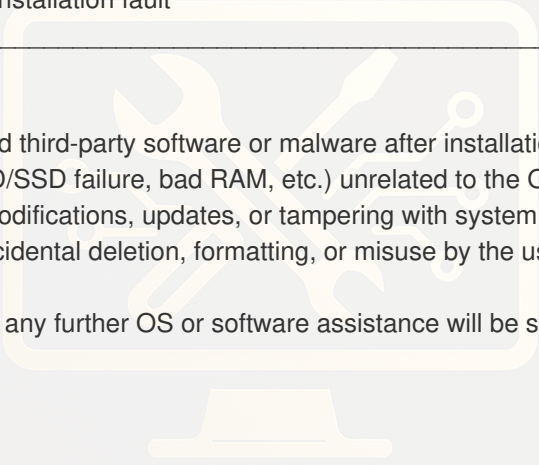

→ A 1-week warranty is provided for operating system (OS) installation from the date of service completion.

→ This warranty covers issues directly related to the installation, such as:

- * Improper OS installation or setup errors
 - * Missing system drivers (if part of the service package)
 - * Boot or startup issues caused by faulty installation
 - * Activation or license errors due to installation fault
-

This warranty does not cover:

- Problems caused by user-installed third-party software or malware after installation
 - Issues from hardware faults (HDD/SSD failure, bad RAM, etc.) unrelated to the OS installation
 - Errors caused by unauthorized modifications, updates, or tampering with system files
 - Reinstallation requests due to accidental deletion, formatting, or misuse by the user
- After the 1-week warranty period, any further OS or software assistance will be subject to our standard diagnostic and service charges.
