Terms:

Memory RAM Slot Voltage Missing Repair & Notebook Service – Service Warranty

→ This invoice includes a 3-month warranty from the date of service for the Memory RAM slot voltage repair and notebook servicing.

→ During this period, the client is entitled to free technical support and one-time service check for issues directly related to the repair/service, such as:

RAM slot not detecting memory due to repair fault

Voltage delivery issues caused by improper soldering or connection during repair

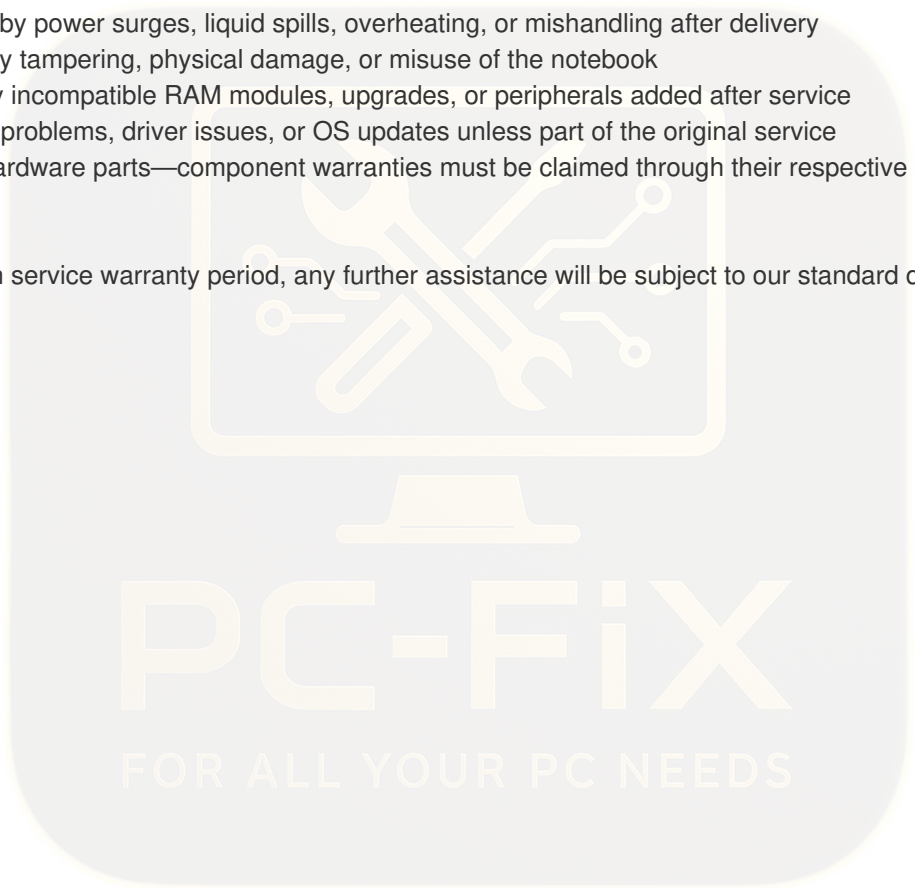

Loose connections or reflow defects from the service process

Notebook instability or boot failure due to repair workmanship

Misconfiguration in BIOS related to memory settings (done during the repair)

This warranty does not cover:

- Damage caused by power surges, liquid spills, overheating, or mishandling after delivery
 - User or third-party tampering, physical damage, or misuse of the notebook
 - Issues caused by incompatible RAM modules, upgrades, or peripherals added after service
 - Software-related problems, driver issues, or OS updates unless part of the original service
 - Malfunctioning hardware parts—component warranties must be claimed through their respective manufacturer warranty policies
- After the 3-month service warranty period, any further assistance will be subject to our standard diagnostic and service charges.
