Terms:

Touchpad Repair – Service Warranty

→ This invoice includes a 3-week warranty from the date of service for the touchpad repair.

→ During this period, the client is entitled to free technical support and one-time service check for issues directly related to the repair, such as:

Touchpad not responding due to repair fault

Improper cable connection or seating during repair

Loose or damaged connectors caused during the service process

Cursor instability or erratic movement due to workmanship fault

Misconfiguration in touchpad settings (done during the repair)

This warranty does not cover:

- Damage caused by liquid spills, impact, power surges, or mishandling after delivery
- User or third-party tampering, physical damage, or misuse of the touchpad or device
- Issues caused by incompatible drivers, software conflicts, or OS updates unless part of the original service
- Malfunctioning hardware parts unrelated to the touchpad repair—these must be claimed through their respective manufacturer warranty policies

→ After the 3-week service warranty period, any further assistance will be subject to our standard diagnostic and service charges.
